### ***Optional: Move up your certification date***

If your new RIGHT RESPONSE certification date is inconvenient for your annual scheduling needs, we are allowing you this one-time opportunity to choose a new anniversary date for your future recertification schedule. ***Do this by picking a date earlier than your expiration (not after.)***

- I am requesting this date be my new certification date: \_\_\_\_\_

### ***Optional: Downgrade your certification to Elements***

Don't need to teach Advanced Skills? Want a 2-year certification term instead of 1? You can permanently downgrade your certification to the Elements level upon written request. Be advised that you will only be able to conduct Primer and Elements Workshops after downgrading.
