NEW - Instructor Reference Video now available!

An all new RIGHT RESPONSE Instructor Reference Video is now available for purchase!

Order your copy by May 23, 2008 and receive a 10% discount on the purchase price.

This video is designed to assist instructors with mastering the consistent and effective instruction of RIGHT RESPONSE Physical Safety skills. As you already know, **accurate and complete instruction is critical** to maintaining safe environments and minimizing the liabilities which accompany the use of physical intervention.

Instructors benefit from using this video by being able to view and review each skill as it is demonstrated by an Instructor Trainer. This video is particularly useful for new instructors or for infrequently presented skills.

This product is designed for use by an instructor as a resource when developing excellent instruction skills and is **not** to replace the live demonstration and instruction which is critical to safe learning. This broadcast-quality DVD video plays on your computer's DVD player or on your TV's DVD player.
